Oliver Terry-Morales

Phone: (510) 710-2636 | Email: oliverwills0227@.com | El Cerrito, CA 94530 LinkedIn: [/otmorales23](#) | GitHub: [/otmorales23](#)| Portfolio: [React Portfolio](#)

I am a front-end software developer who enjoys problem-solving, with strong technical skills and an academic background in web development, graphic design, and computer science. I create user-friendly, aesthetically pleasing, and relevant web applications. I'm currently seeking full-time entry-level roles in front-end and full-stack software development and UX/UI Design.

TECHNICAL SKILLS

JavaScript, CSS3, HTML5, NoSQL, GraphQL, GitHub, MongoDB, MySQL, Express, React, Node, Handlebars, jQuery, Bootstrap, Express.js, Next.js

PROJECTS

Note Taker App | https://github.com/otmorales23/pastel-note-taker |
https://pastel-note-taker-fd1adcb5eb12.herokuapp.com/

- Summary: Simple note taking application
- Role: Sole author
- Tools: HTML, CSS, JavaScript, Express

Work Day Scheduluer | https://github.com/otmorales23/work-day-scheduler |
https://otmorales23.github.io/work-day-scheduler/

- Summary: A simple web application where you can schedule events, appointments and/or reminders for your day and save them so that if you leave and come back your events will still be on the page.
- Role: Sole author
- Tools: HTML, CSS, JavaScript

Employee Tracker MySQL | https://github.com/otmorales23/who-works-here

- Summary: A MySQL based application for adding and viewing employees, departments and roles in a company.
- Installation: Click the link to view the GitHub repository, then clone the files into a local repository. After which you can run npm i to install the necessary packages, run your MySQL database, then using your terminal, select the action you would like from the list and follow provided instructions.
- Role: Sole author
- Tools: JavaScript, MySQL

EXPERIENCE

Web Developer: Freelance Jul 2023 – Present El Cerrito, CA
- Enhanced website aesthetics through the creation of custom graphics, icons, and imagery.
- Conducted usability testing and gathered feedback to drive continuous improvement.
- Consistently met project deadlines and budget requirements, ensuring high client satisfaction.
- Collaborated with diverse clients to design and develop customized websites.
- Translated client ideas and brand guidelines into visually appealing website layouts.
- Designed responsive and mobile-friendly websites for exceptional user experiences.

Entrepreneur: Peach and Strawberry Creations/Honey Brown Sugar El Cerrito, CA
Sep 2018 – Present
- Created and sold personalized phone cases, boxes, digital and traditional art commissions, and resin pieces, leveraging personal branding and marketing strategies.
- Managed social media platforms (Twitter, Instagram, Twitch.tv, TikTok), showcasing artwork and engaging with a growing online community.
- Utilized graphic design skills to develop eye-catching visuals for promotional materials and advertisements.
- Established strong networking connections within the creative community to expand reach and opportunities for collaboration.

Tech Sales: MarketSource Inc. Emeryville, CA
Mar 2021 – Aug 2021
- Recommended and sold prepaid phone plans and phones to customers, resulting in an increase in sales exceeding monthly sales goals.
- Provided exceptional customer service by answering tech-related questions about operating phones, computers, TVs, and other electronics, resulting in a 95% customer satisfaction rating based on post-purchase surveys.
- Assisted with inventory management by accurately counting phone inventory on a daily basis, ensuring accurate stock levels and reducing out-of-stock incidents.
